

“Heard U Talkin’ Voodoo, About Me” ‘clavinet’ / “Spooky”

well the word on the street
is that your diggin’ my beats
and u don’t know what to do
well let me tell ya now
that tis easy to do
just roll my way on a sunny day
and say how do U do ...
h y t v doo b m / h u t v doo
scat sing h y t v doo b m / h u t v doo
oh yea

all down the block
and uptown too
the word is out bout’ me and U
that we be a hit and make a scene
cause we love the show the biz the fizz
so maybe we got’s what it takes
to go and make each other shake
so roll my way on a sunny day
and say a howdy do my way ...
cause I heard U talkin’ U talking voodoo
‘about me .. heard you talkin’ voodoo
scat sing h y t v doo b m / h u t v doo

even round the corner
all the players will be knowin’
that U and me for keeps
so strap on your cons
we’ll meet and dawn

and make our lives complete ... cause ...
is that your diggin' my beat
and u don't know what to do
well let me tell ya now
that tis easy to do

well the word on the street
is that your diggin' my kicks
and u're likin' what you see
so it might be time
that we take some time
for just U and me

we take a don't know what to do
well let me tell ya now
that tis easy to do cause ...
